

# NORTH STAFFORDSHIRE GROUP OF ADVANCED DRIVERS AND RIDERS

(AFFILIATED TO THE INSTITUTE OF ADVANCED MOTORISTS)

Group Number 3045

Registered Charity Number 1100497

## **Summary minutes of the 59<sup>th</sup> Annual General Meeting (AGM) held at Sandyford Community Fire Station on Thursday 20<sup>th</sup> February 2025**

The meeting commenced at 19:15

### **Present**

Fourteen members attended the meeting.

### **ITEMS OF BUSINESS**

#### **1) Apologies**

One member sent their apologies.

#### **2) Minutes of the AGM held in 2023 and matters arising**

The minutes from 58<sup>th</sup> AGM held on Thursday 8th February 2024 required no amendments.

There were no actions from the previous AGM.

#### **3) Chairman's Statement**

The Group Chairman stated that it had been another great year for the Group. Over 100 email addresses had been added to the Group's mailing list. Both the bike and car events attended by the Group had been well supported by NSADR members and proved invaluable in increasing NSADR brand awareness. There had been increased effort to promote the rider section within the Group.

An extract of the Chairman's report is attached as an annex to these minutes.

#### **4) Treasurer's Report**

The AGM received the Treasurer's Report and considered whether the accounts, as presented, represented a true and fair view of the financial position of NSADR. The AGM unanimously agreed this to be the case.

The AGM discussed how the remainder of the Co-operative Local Community Fund money should be used and agreed the remaining monies will now be used for the annual prize draw, which offers the winner a free advanced driver or rider course. At current IAM Roadsmart course prices the money will last for a further four years.

### **5) Election of Officers**

As there was only one nomination for each post of Chair, Vice Chair, Treasurer and Secretary all the existing officers were successful in being re-elected to continue in their respective roles until the next AGM.

The Secretary's job had been advertised and a job description had been circulated but no potential candidates had come forward and therefore the current post holder agreed to stay on for the time being.

### **6) Election of Committee Members**

Two members up for re-election had decided to resign from the Committee but were replaced by two new members who were duly elected to the Committee. The total number of NSADR Committee Members remains ten including elected officers.

### **7) AOB**

The AGM discussed the 2026 annual subscription fee and agreed it should be increased from £12.00 to £15.00.

Next year would be the Group's 60<sup>th</sup> anniversary and perhaps it might be appropriate, nearer the time, to consider an article in IAM Roadsmart's 'Headlight' to celebrate the Group's longevity and achievements.

### **8) Date of next AGM**

The next AGM date was proposed and agreed as **Thursday 19<sup>th</sup> February 2025.**

The meeting closed at 20:05

**Signed .....** (Chairman)
